

# VIJAY BALAJI

**Address:**

No.21E Malligai kudiyrupugal, Priyanka Awanue,  
Avaniyapuram main road. Madurai-625012

**Phone:**

+91 8248389071

## Summary

---

Front End developer with working knowledge of adding features to the frontend components, and customizing the behavior of the component as per the user requirement.

## Experience

---

**Web Application Developer Intern – Jan2020 – Jun 2020**

**Honeywell Technologies Pvt Ltd, Madurai**

- Worked with senior mentors to gain exposure to how the industry proceeds in all phases of software development.
- Designed UI for a script-based text-to-speech engine and implemented it successfully.

**Analyst Programmer – May 2021 – Present**

**Ramco Systems, Chennai**

- Contributing to the design system for implementing the existing product frontend to Reactjs.
- Fixing the issues faced by components and customizing the behaviour of the components.
- Created a storybook-based components library for a visual representation of all the developed components.

**Professional Achievements**

- Got appreciation for fulfilling the requirement of implementing Kaldi UI from HTS leaders.
- Got appreciation for being a quick learner from Ramco Systems
